WELCOME TO OOS 2019

The 2019 Ohio Osteopathic Symposium marks the ninth year of collaboration between the Ohio Osteopathic Association and the Ohio University Heritage College of Osteopathic Medicine and its Society of Alumni and Friends. What a collaboration it has been for our osteopathic family!

This year, we are bringing together hundreds of DOs with the overall goal to advance the health of patients and prepare physicians to lead the transformation of primary care. Sessions on dermatology, orthopedics, cardiology and OMM address our changing health care system and some of society's most pressing health issues.

CME COMMITTEE CHAIRS

Jennifer J. Hauler, DO ('01) – President, Ohio Osteopathic Association

Jennifer L. Gwilym, DO ('02), FACOFP, FAAFP, CS – President, Heritage College Society of Alumni and Friends

THREE EASY STEPS TO RECEIVE YOUR CME CREDIT

1. Sign in at the registration table. (Look for the balloons.) You only need to sign in once during the entire symposium.
2. Print your name clearly and indicate your AOA member number on the CME Verification Request Form to receive credit.
3. Complete the CME Verification Request Form (with your AOA number and email address). Indicate only the number of hours you attended, sign at the bottom and turn in with your evaluation packet at the Registration Desk before you leave. If you forget to submit it before leaving, you may fax the form to 740.593.9536.

The CME Verification Request Form can be found in the CME Verification and Evaluation Material folder you received at registration. Please note that there is only one CME Verification Request Form to complete, and you will only need to sign in once. Physicians must complete the CME Verification Request Form attesting to the total number of hours attended. Credit will be given only to physicians who return the form indicating the total number of hours attended. No credit will be given to physicians who fail to do so. [Credit will be submitted directly to the American Osteopathic Association by the Ohio University Heritage College of Osteopathic Medicine.](#) A certificate of attendance will be emailed or mailed to you approximately four weeks after the symposium.

ALL ARE WELCOME TO ATTEND

Years of strategic planning have paved the way for calculated institutional growth at Ohio University's Heritage College of Osteopathic Medicine, with the goal of producing more doctors to fill critical healthcare gaps across the state.
